# How does it work?

**1** Call or email us to arrange an initial meeting. The first meeting will usually take 1-2 hours.

**2** Together we will look at your individual situation (incl. benefits, budgeting, credit ratings) to help you work out the best options for you.

**3** If you have debts, we will help you to access debt advice from the CMA (Community Money Advice) Hub.

**4** We will then help you to put into practice the plan produced for you by the CMA Hub.

Bring as much information as you can about your financial situation, incl.:

- Recent bank statements
